Dear all,

This is Michelle S Kriz. The Saint.

Who ever is playing games with emails. I did not approve them. I did not know about them. you knew about them. Its not my approval signature on anything Delta Goodrem has provided. She has forged my signature.

I don't even want to be her friend. I am a Saint. I am to be Royal.

The game says that emails are changed over to each others.

You knew this. Since 22/11/2023.

So that means all the emails I am sending are coming from someone else. And the fraud person is using my email address and sending emails in my name. You knew this.

Well them so you know that I am earning all the money and someone else's name is coming up as the receiver, and the person using my email is being listened to and approved for things that are harmful and rude to me.

I am disgusted everyone.

I am hurt

I am beign fooled because I am earnign the money and you are payign the fucking fraud person who is swapping the emails and claiming to be me.

I earned a lot of money getting terrorist attacked and that money is in my name. And your approving payments from that bank account for the fraud using my email. This is the first problem. So you shouldn't be doing that.

Undo all payments taken from my account.

Then I am earning income and making reports, and someone else's email is coming up, and you are putting it in their account, but you know the game changes the emails, so this money is mine also. I have the evidence that I am sending the emails that earn the income so I am the proper account holder of saintmichelleskriz@outlook.com.

My links here shows I am writing the reports of "Ne Information" and earning NO PRINT MONEY.

So all the income is mine, Saint Michelle S Kriz. and not Delta Goodrems. I am not sharing with her. I have purchased Sudan and South Sudan and am doing famine in the countries and I am about to order infrastructure and development. I need that money for my plans so its not available as per the emails you have been recieving under my email account. Sorry about that everyone.

Fix it. NOW.

And never attempt to fuck with my life or emails ever again. This is pathetic effort to screw me over and i am not having it in my country. So I have not been paid \$1 yet from my terrorist attack, not one journal, not one package.

You have fucked it all up in my lif. Delta Goodrem is screwing around with my money, property, asset, and wealth and doing crime. Thats the end of it.

So the IFWGlobal.org company is Al-Qaeda terrorism. Its not my web application that requires login to the system. Its fraud.

I am not doing fraud with delta Goodrems email, you are playing games. So get rid of the fraud accusations.

I have my website up and running, www.saintmichelleskriz.org. Look at it carefully. I am the true saint and the seal and signature holder. All seals must be delivered and online within 1hr of the report or journal creation.. If not, its fraudulent and not acceptable. My journals that are the only journals to be approved with all my money is on my website that I listed above. I m not accepting anyone taking or spending my money without me writing a journal for it with a seal and signature, mp4 video like al have on my website only. Otherwise it is fraudulent.

I am not happy with what you are doing to me and how you are treating me. I am suffering with no money. Get me my journal money now. I have been waiting for journal 00016 and 00017 from 2023 still. This is a joke.

I have not met with the US Army to be picked up to go to the US as yet. Why not? I am expecting surgery to get these bombs out of my fucking body from the terrorist attack. You fools. Remember where you were at in life.

My body looks like a write off. I am 12121268. I am short and extra wide. Go bakc and fucking fix my body to a size 8 sress size australian and 170cm tall, no terrorist effects or hardship or medical problems like scoliosis or poles in my ass. No air either. I want this fixed up asap and for good.

Stop abusing me. I meant that. You have no right to play games with me or steal my money. GET FUCKED ALL OF YOU FOR DOING THIS TO ME.

Also, all my emails, had the header "Saint Elle" These are all my emails I sent out so they are mine not anyone else's. And my nickname "Saint Elle" was also in the signature line. aSo thee emails with these two trade marks are my emails I have sent out. The rest of the name sin the emails are all fucked up. Pay attention to my work emails, income earning reports and my journals. I have listed everything of mine on my website.

My phone number is 0414251908. Its on gogole, so search my anme on google and find my contact details. I live at Beverly Hills. so come to my house and confirm i=my ids. And bring me my fucking money asap please. NO EXCUSES ANYMORE.

Thank you

Blessings Saint Elle
